#### 7. contract duration

I was informed that the contract is valid for 2 years and then automatically renewed for 1 year. i'm aware that the termination has to take place 3 months before the end of the contract. The Stadtwerke Ramstein Miesenbach can agree to a premature termination, this will incur fees of 3 monthly lump sums. I have offered the contract without a term (direct termination) and would like to:

- complete (this costs a one-off cost of 100, - €)
